DEUSA & "Supporter" Agreement

This Agreement is made by and between the East Tennessee Clean Fuels Coalition, located at 311 Conference Center Building, Knoxville, TN 37996-4134 ("ETCleanFuels" and "Administrator"), and who is the administrator of the "DRIVE Electric USA" initiative, and the below-noted entity and Supporter ("Supporter").

RECITALS

WHEREAS, ETCleanFuels manages and administers the "DRIVE Electric USA" (DEUSA) Program and Initiative, which is a Clean Cities-led partnership to create comprehensive, state-based and statewide, branded, and interconnected "Drive Electric" programs across the United States, and which currently includes 26 states plus the District of Columbia;

WHEREAS, ETCleanFuels and many other organizations in the United States (and beyond) wish to hasten the move the much greater use of electricity in the transportation sector for the primary purpose of reducing sector greenhouse gas emissions, but also for the purposes of a) reducing sector criteria pollutant emissions, b) moving toward better renewable energy options for vehicle fuel use, and c) bringing more equitable transportation options to all U.S. citizens;

WHEREAS, ETCleanFuels seeks to develop partnerships to these ends through the DEUSA Program;

NOW THEREFORE, ETCleanFuels and Supporter agree as follows:

DEUSA: Will place a logo of Supporter and link to the Supporter's website in that section of the DEUSA website;

SUPPORTER: Will place a logo of DEUSA and link to the DEUSA website on the appropriate place on their website where they show supporters, partners/members, or similar;

DEUSA & SUPPORTER: Can provide more information about the other's entity/program as desired on their site, and will be openminded to other, future partnering opportunities that either may desire to bring to the other that could further accelerate national or individual state EV adoption.
